

## Deluxe Router Table Package (MI-42140)

The Magnum Industrial Deluxe Router Table Package allows you to perform precision router and shaping projects where fine joinery and detail is critical. Repetitive accuracy is easy with this system. Combined with a solid cast iron table top and fine adjust fence system the MI-42140 package is a top seller.

### Features:

- Above table fine adjustment gives clear view of increments for precision work
- MI-42100 award-winning chain lift (bushing-less) design is sold separately
- Cast iron precision ground table top for solid stable performance
- Built-in dust kit makes dust control efficient and easy to connect
- All safety feather boards are included ensuring safe and vibration free work
- Reducer adapters MI-99400 (3-1/2") and MI-99401 (3-1/4") included as standard equipment
- Retractable mobile base can be lowered on 4 solid feet for vibration free work
- Dust collection connects the main router and the fence port to ensure full coverage
- On/off switch is movable to different positions for safer easy access
